

# Maxima Electrical Sales

P.O. Box 398, Shawnee Mission, KS. 66202

<http://www.maxima-sales.com>

Phone (913) 268-1591

Fax (913) 268-3366

24Hr/7Day/365 (800) 728-3536

[www.connectorproducts.com](http://www.connectorproducts.com) Connector Products complete line of: Automatic Line Splice, Tap, Pad & Stirrup, Grounding and Fiber Dead ends. CPI WEDGE DESIGN, live spring assures easy installation, reduced tooling costs and most importantly a low resistance life time connection that is removable.

**Isolated Phase Bus Duct**, 20kA OA and 40kA FA. Specialty bus items braid, shunts and hardware. Segregated/Non-segregated Phase **Bus Duct**. 600V, 5KV & 15KV • **Cable Bus** Systems to 69KV  
[www.deltaunibus.com](http://www.deltaunibus.com)

**Power Plant Design UPS Inverters and Chargers** complete with Stationary **Battery Systems**, Valve Regulated Lead Acid (Sealed) Switchgear or Wet Flooded. DC Switchboards.  
<http://www.imescomfg.com/dependable.htm>

A division of Electro-Mechanical

Padmount Sectionalizing **Switchgear** (Live Front and Dead Front) 5kV - 34.5kV Higher ratings than the S&C Mini Rupter and Uni Rupter • Metal-Enclosed Switchgear Line ups • Unit Substations • Padmount Primary Metering • Capacitor Banks • Automatic Transfer Switchgear • SCADA Control (Automated Distribution) gear

MESA Technologies

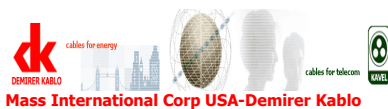

**High Quality WET Flooded Battery Systems. True 20 Year LIFE with MESA TECH.**

**Hoppecke Battery - Brilon, Germany:** a global leader in **flooded lead-acid batteries**. VRLA batteries, and is one of two suppliers in North America for high-performance **NiCad (Nickel Cadmium)** batteries used in critical applications.

<http://www.hoppecke.com/produkte/marktsegmente> <http://www.mesa-tec.com/batteries.php>

**Power Transformers** 100 – 2000 MVA (to 765kV) Generator Step-Up (GSU) • Auto (LTC) • 25 – 800kV Gas Insulated Switchgear (GIS) • Large Motor Division 100 – 10,000 HP  
<http://www.hyundai-elec.com>

Full line of Underground **Transmission & Distribution Cable** • 69kV URD Medium Voltage Power Cables, • High Voltage Solutions >69kV – 400kV

**Mass International Corp USA-Demirer Kablo** <http://mass-intl.com/mass-intl/>  
[www.masscable.com](http://www.masscable.com)

Annual sales of over \$400 million with offices in four continents that employ over 1300 skilled workers.

High Voltage Cables <http://www.masscable.com/highvoltagecables.asp?md=30&md2=15>

Medium Voltage Cables [http://www.masscable.com/products\\_list.asp?id=4&md=29&md2=15](http://www.masscable.com/products_list.asp?id=4&md=29&md2=15)

FiberOptic Complete line of Metallic Communication wire too.

**HD Supply "Projects Group"** Substation and transmission line **design & packaging** • TOTAL SOLUTIONS with all products. There is very little that we cannot do for you 1/2 Billion Inventory and over 500 Branches to draw materials from. Complete Engineering and Take-Off services. BALANCE of plant materials both Electrical and Mechanical through sister divisions. **We do not represent the Distribution Division of HD Supply Utilities (i.e. old Hughes Supply) Only Projects Group.** Corporate Information [www.hdsupply.com](http://www.hdsupply.com) (Infrastructure, Utilities "Projects Group")

**Air Break Switches** through 800kV designs. Vertical Break, Horizontal Break, Center Break, Manual or Motor Operated, Single Pole Hook Stick or Group Operated all designs.

[www.morpac.com](http://www.morpac.com) link to all switch data

**Porcelain & Polymer Insulators** 15kV - 765kV Designs Station Post, Line Post, and Suspension • Complete Insulator/Hardware packages available  
<http://www.ngk-locke.com/>

Phoenix Electric Corp.- Current-Limiting **Reactors** • Neutral Grounding Reactors  
[www.pec-usa.biz](http://www.pec-usa.biz)

Grounding • Grid, Ribbon • Edge and Wire Wound **Resistors** • Zig-Zag Transformers • Resistor Packages • Neutral Ground Resistors • Custom Design Resistor Banks • **HRG Systems PULSER PLUS**  
[www.postglover.com](http://www.postglover.com)

Metal-Clad Switchgear • Unit Substations • Power Control Rooms • Generator Breakers thru 5200A 38kV [www.powellelectric.com](http://www.powellelectric.com) **ARC Resistant MV Switchgear, MCC and LV Switchgear.** Replacement Breakers for GE Magna Blast, Westinghouse DHP, and many other NEW ANSI TESTED.
